Education

B.Tech in Computer Science and Engineering **2024 – Present**
Bennett University, the Times of India Group *Greater Noida, Uttar Pradesh*

Technical Skills and Soft Skills

Languages: Python, Java
Technologies: HTML, CSS, JavaScript
Developer Tools: VS-Code, Git and GitHub, LaTeX
Frameworks: Tailwind CSS, React, Next.js, Node.js, Express.js
Databases: MySQL, MongoDB
Libraries: Pandas, NumPy, Matplotlib, Seaborn, Three.js, GSAP
Coursework: Data Structures, Design Analysis of Algorithm, Statistical Machine Learning
Soft Skills: Problem Solving, Self Learner, Project Management, Leadership, Effective Communication, Time Management

Projects

E-Commerce Web Application | *MongoDB, Express.js, React, Node.js (MERN)* **Jan 2026 - Present**

- Developed a full-stack e-commerce platform featuring user authentication, product management, shopping cart, and secure checkout workflows.

AI Image Generation Platform | *MERN, Gen AI APIs* **Dec 2025**

- Built an AI-powered image generation web application that converts natural language prompts into high-quality images using state-of-the-art generative models.
- Integrated prompt optimization, real-time preview rendering, and cloud-based API handling to deliver fast and scalable image generation.

AI Face Detection and Recognition System | *Python, OpenCV* **Dec 2025 - Present**

- Developed a real-time face detection and recognition system leveraging computer vision and machine learning techniques for accurate identity verification for college classes preventing proxy.
- Implemented the latest YOLO architecture to achieve highly accurate and real-time object detection.

Achievements

Solved 150+ problems on LeetCode, TUF+ and GeeksForGeeks. **2025**

Completed DSA Certification in Java from Apna College. **2025**

School level Chess Master (Inter-school and Inter-house competitions).

Experience and Positions

Multimedia Sub Head, Organizer **2025**
Hackaccino 3.0 Hackathon *Bennett University*

- Collaborated with the organizing team to execute a university-level hackathon involving multiple stakeholders.

Multimedia Team Member **2024 - 2025**
Computer Society of India *Bennett University*

- Managed media coverage and content strategy to improve event outreach and engagement across platforms.

Web Development and Digital Marketing **Summer 2025**
Freelance

- Collaborated with a friend to design and deploy landing websites for small businesses using modern front-end technologies.
- Assisted clients with running targeted digital ad campaigns, helping improve online visibility and business growth.
